

## **Press release for immediate use**

The community launch of the Barony A Frame Restoration project takes place on Saturday 14 June at 12 noon. There will be lots of activities for both children and adults on the day including a bouncy castle, climbing wall, face painting and balloon modelling. Entertainment will be provided by The Ghosties, Muirkirk Pipe Band, Auchinleck Academy Silver Band and other performers. Children can compete for a prize in the fancy dress contest and the adults try their luck at the bottle stall. There will also be a tea tent and burger stall to keep the hunger pangs at bay.

To celebrate this event there will be a parade around the centre of Auchinleck led by Muirkirk Pipe Band starting at 10.15am. Any organisation that wishes to take part in the parade should contact Margaret Butler on 01294 276434. Free transport will be provided to the site by Coalfields Community Transport.

There are still a few spaces for stalls at the Barony launch. This is a great opportunity to promote your group and raise funds. Participation is **free** and tables can be provided if required. Contact Margaret Butler for more details.
